

# AV-249 Flexseal AC

Additives, Catalysts, Auxiliary Products

## General Specifications

### Description

AV-249 Flexseal AC is the catalyst for AV-248. When AV-249 is added to AV-248 and the resin comes in contact with moisture, the resin quickly expands and cures to resilient, flexible closed-cell foam.

### Physical Data

Appearance and Odor: Gray Transparent Liquid

Flash Point: > 338°F

### Viscosity

5 CPS in solution

### Packaging

Container – 25oz. – Gross Weight 25 oz. ea. – Shipped with AV-248

### Shipping

Motor Class 55

Hazard Class: Non-Hazardous

### Air Freight available for:

25 oz. Container

## Technical Specifications

### Description

AV-249 Flexseal AC must be added to AV-248 for the foam reaction to occur in 10 minutes or less.

### Mix Ratio and Procedure

AV-248 is Hydrophobic and does not require the addition of water. Mix one bottle (25 oz.) of AV-249 Flexseal AC. One 25 oz. bottle of AV-249 Flexseal AC is supplied with each 5 gallon pail of AV-248.

Slowly pour the entire bottle of AV-249 Flexseal catalyst into the 5-gallon pail of AV-248 Flexseal while slowly stirring for 3 to 5 minutes. The ideal temperature for mixing catalyst is between 65°F and 85°F. Do not allow moisture to penetrate the mixing pail. For faster set times add more AV-249 Flexseal AC.

### Storage

Keep in a tightly closed container, store in a cool, dry, ventilated area. Protect against physical damage.

### MSDS

Available by request, or download at [www.avantigrout.com/MSDS](http://www.avantigrout.com/MSDS)

### Safety

Use only in well ventilated areas, unless used with recommended respiratory protection. Containers of this material may be hazardous when empty since they retain product residues (vapors, liquids); observe all warnings and precautions listed for the product.

### First Aid

**Eyes:** Immediately flush eyes with water for 15 minutes. Get medical attention.

**Skin:** Wash affected area with soap and water. Remove contaminated clothing.

**Inhalation:** Remove to fresh air. If breathing is difficult, get medical attention.

**Ingestion:** Drink 2 glasses of water. Call a physician.

Note: Never give anything by mouth to an unconscious or convulsing person.

### Notice

The data, information and statements contained herein are believed to be reliable, but are not construed as a warranty or representation for which Avanti International assumes any legal responsibility. Since field conditions vary widely, users must undertake sufficient verification and testing to determine the suitability of any product or process mentioned in this or any other written material from Avanti for their own particular use. NO WARRANTY OF SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE. In no case shall Avanti International be liable for consequential, special, or indirect damages resulting from the use or handling of this product.
